Amendment B

As per the enclosed notice from the U.S. Patent Office, Confirmation No. 7331 Formalities Letter regarding application number 10/8089/743, Filing Date 3/25/04 from Lena Faye Smith Carter, claiming the Provisional Patent application ser. Nr.60/458,726 Filed 2003 Mar.28.-

To avoid abandonment,

1. The abstract is enclosed.
2. The \$80 = \$15 Completion of statutory basic filing fee for small entity and \$65 Late oath or declaration surcharge is enclosed.

To avoid repaginating entire document, "abstract" page was numbered 15A. If not permissible, another page is enclosed with the "abstract" attached to original document on original page 15. If another configuration is required, please advise.

Very truly yours,

A handwritten signature in black ink, appearing to read "Lena Smith Carter", written over a horizontal line.
